

1,2 → class → 20% → Content } 21% → Read
↳ 30 day.

→ Java → Interview
→ SD
→ development

Movie → trailer → key.

Java → 3-class → Learn 3-class.
Reverse.

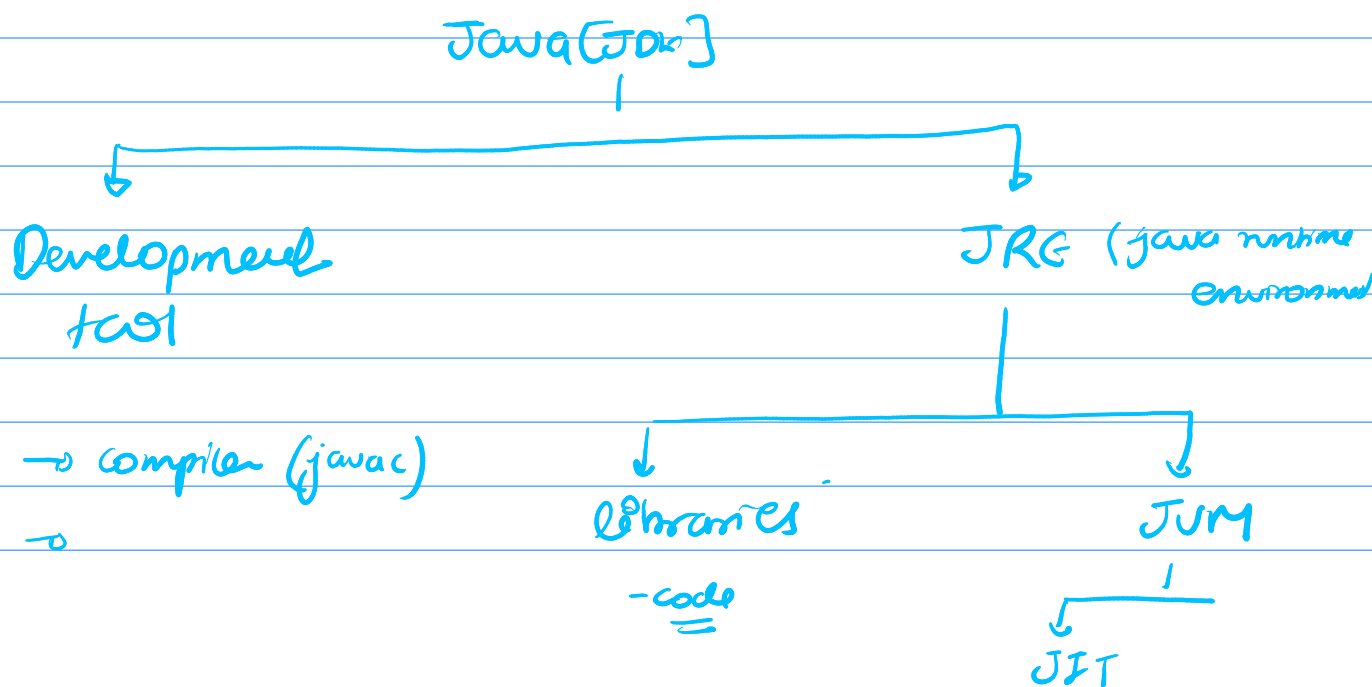

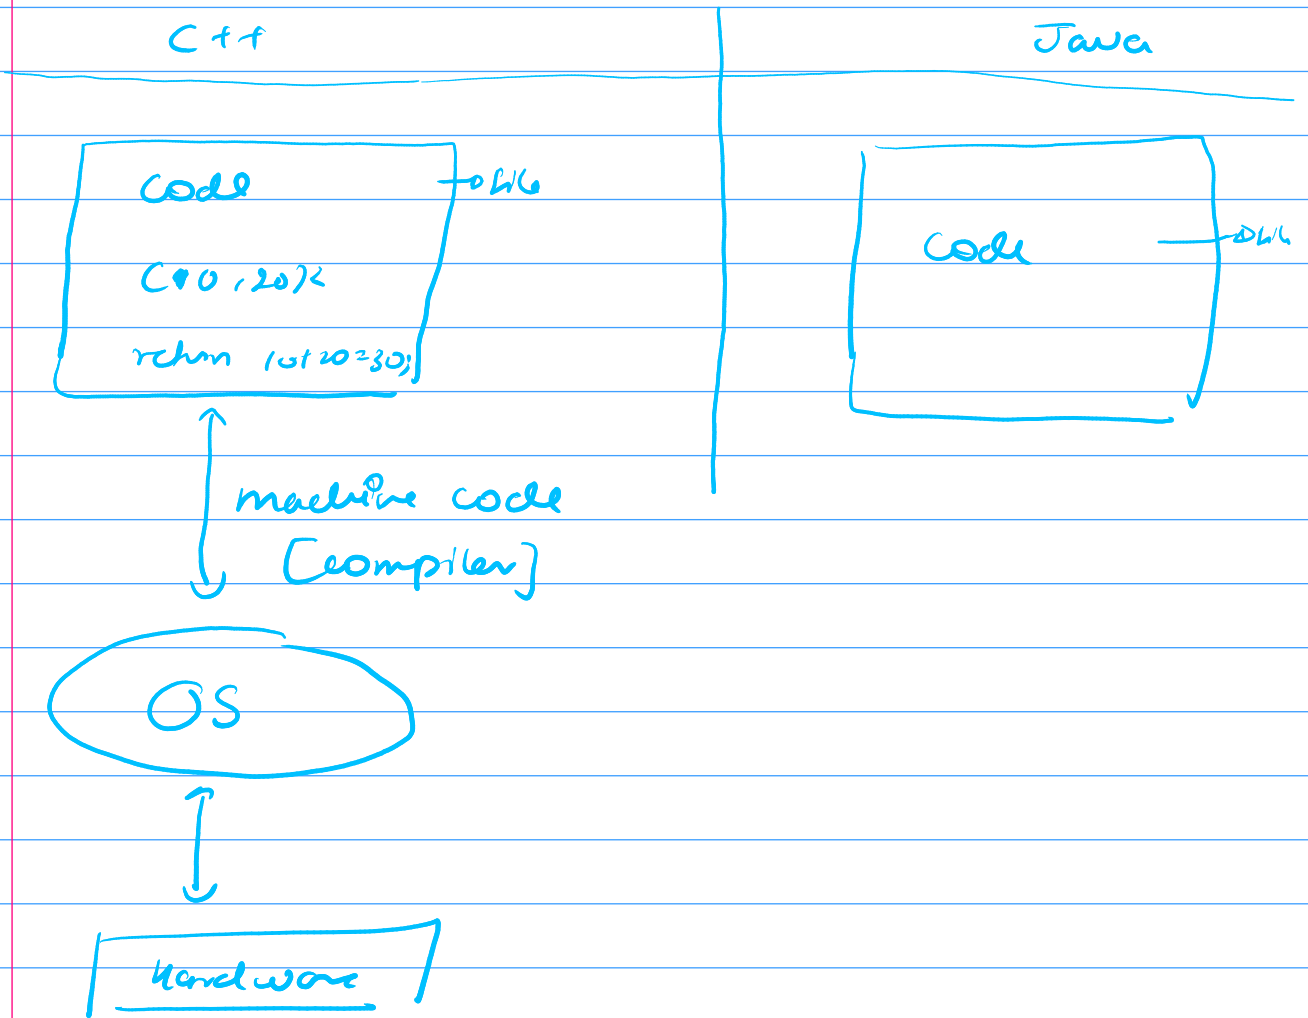

Goal

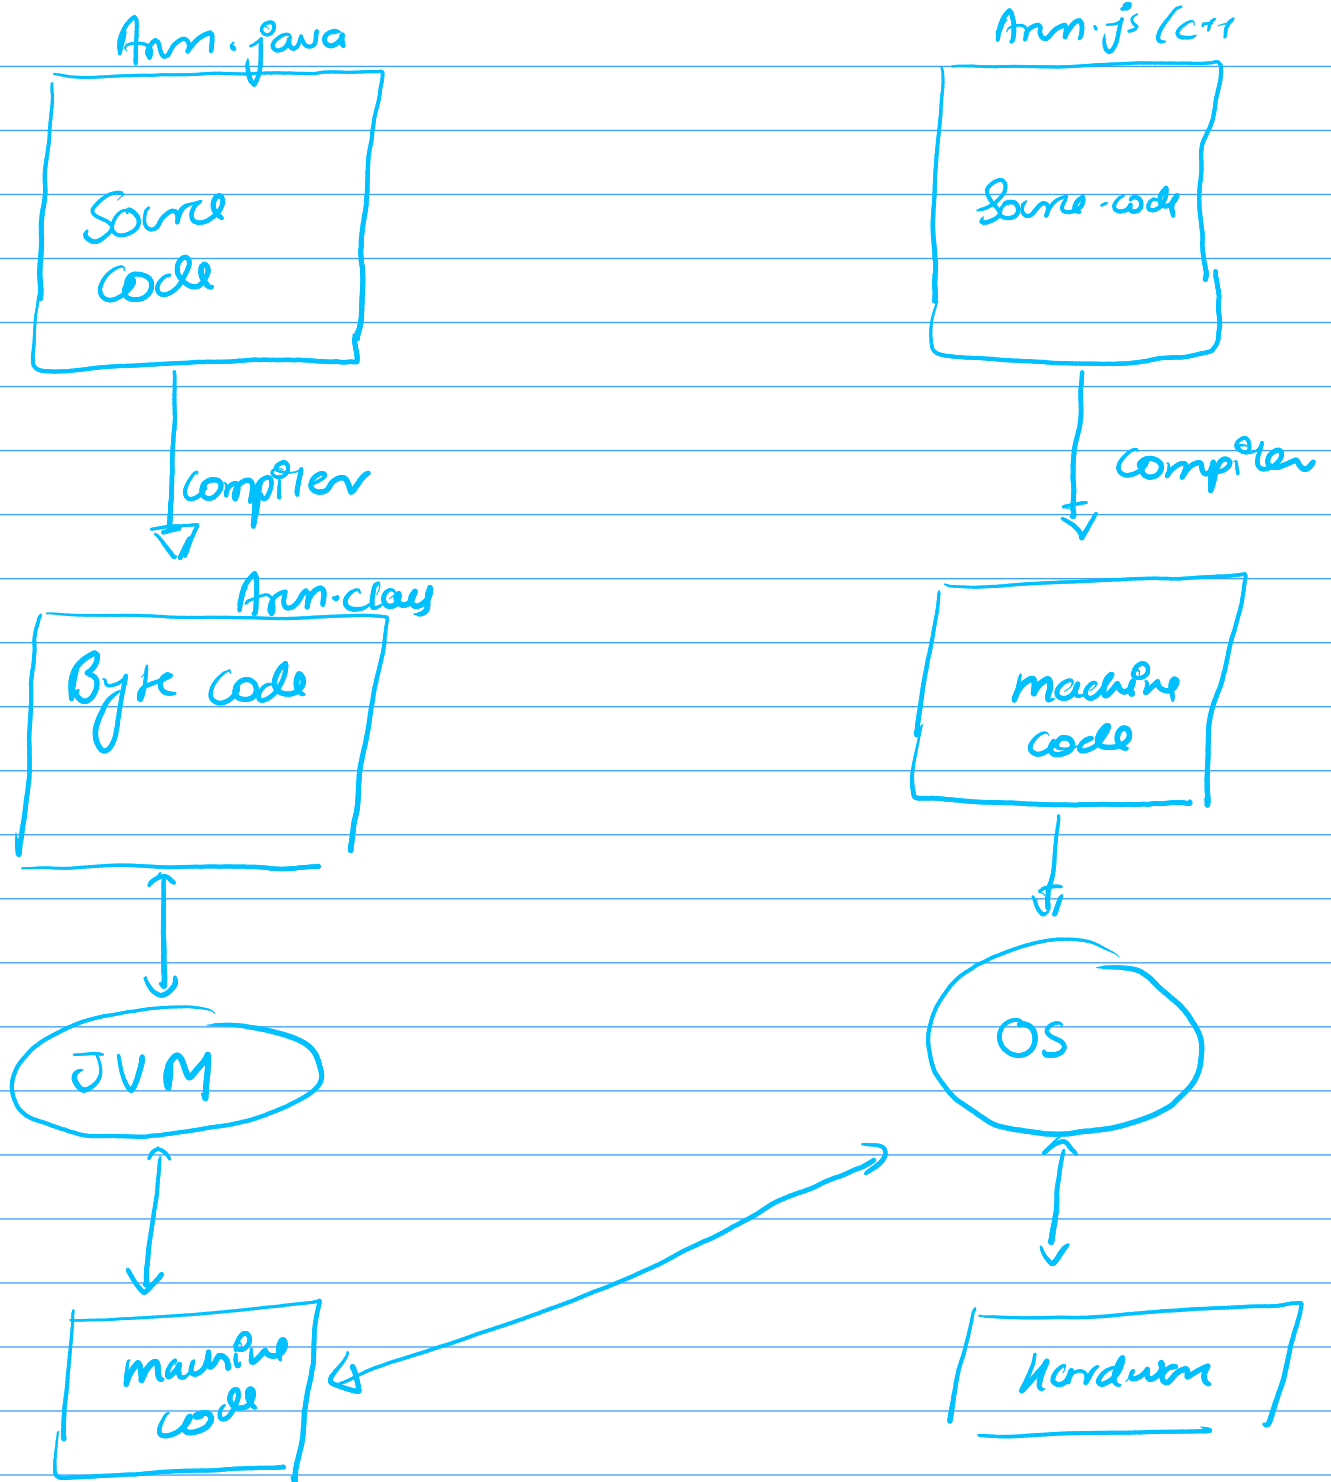

→ JDK, JRE, JVM

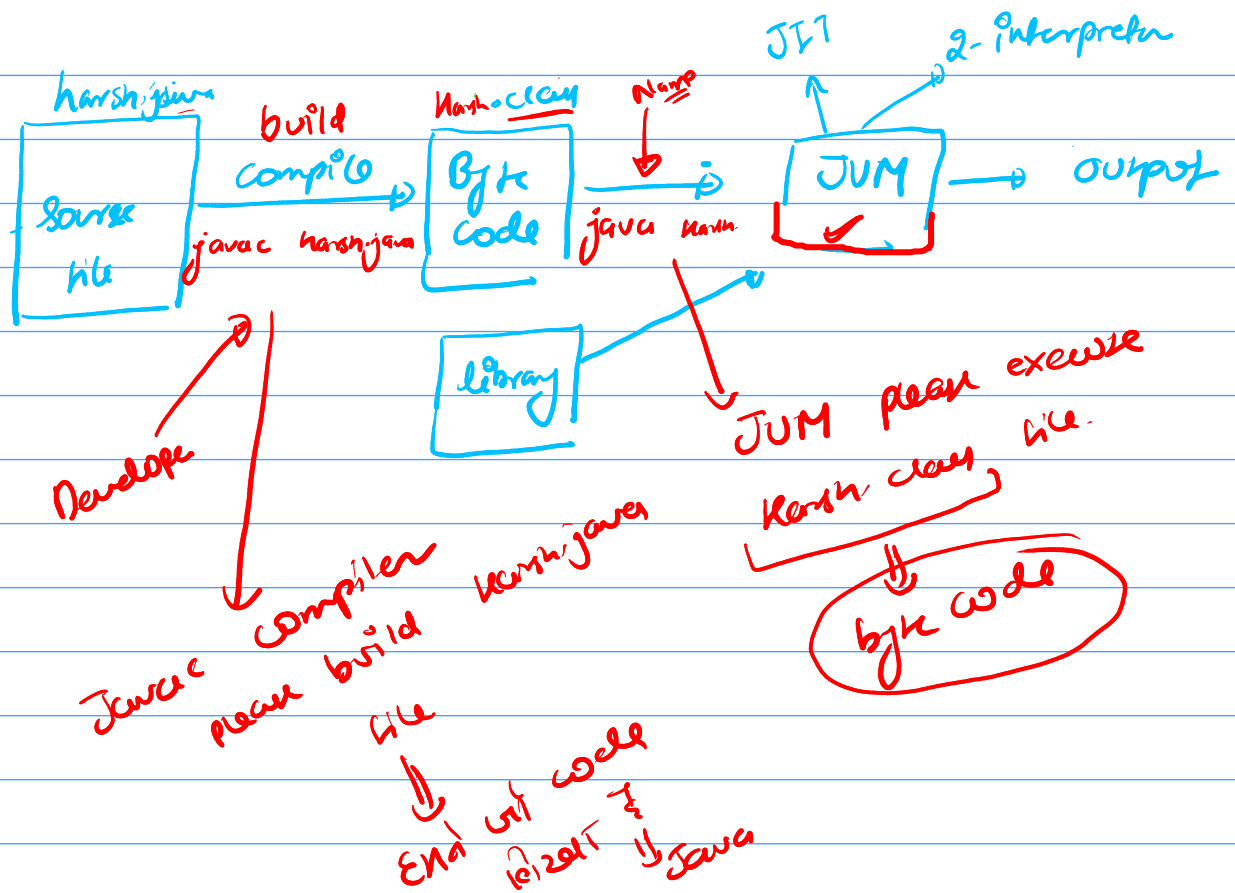

↳ Linux

→ code in (J2E program)

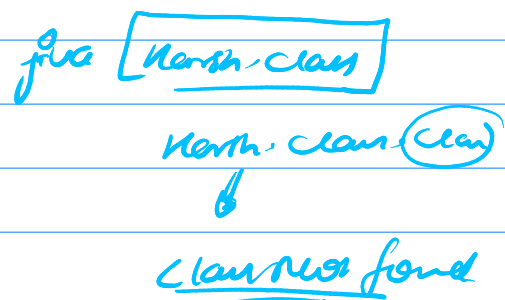

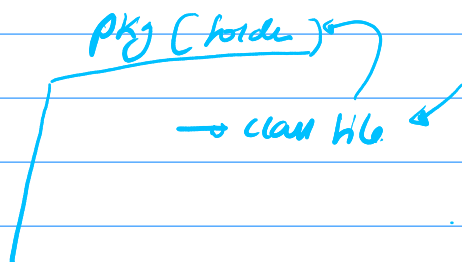

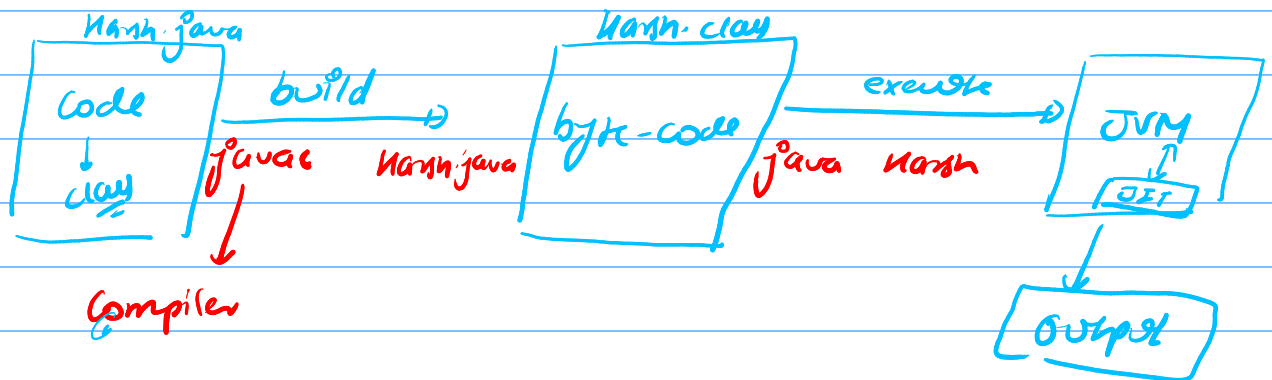

→ 20% (reverse)

Process:

Assignments

10 + 20 min

① Difference b/w JDK, JRE, JVM → 76

10

② Reads

If I want to develop an java application, is JRE is sufficient?

10

③ If I want to just run java program
Is JDK or JRE is sufficient

20

④ write hello world program in java?
not by using IDE?
→ Notepad
→ cmd line.

} 76, Read

20

⑤ class revise

[1.5 hr]
